ABOUT US.

About us.

Studio Marani, communication agency based in Milan, has been created in 2011 from Maurizio Marani after his long term experience with the uberfamous McCann Erickson. Many of his clients, like L'Espresso Group and Radio Deejay, will follow him in this new adventure and many others such as Radio Capital.

After a fortunate encounter with the copywriter and content manager Anna Scardovelli, Studio Marani gains another fundamental pillar of his creative team. Anna, at that time, was already collaborating with big international brands like Barilla, Volkswagen, Campari, Vodafone, Philips, Kraft, Intesa San Paolo and on top of this a TV / Theatre author and founder of the film 'SotttoMiSto' in 2000. Valentina De Franco, Project Manager, completes Studio Marani creative team.

"Our work does make sense only if it is a faithful witness of his time."

— Jean-Philippe Rual, Director

All art is quite useless, one can never consent to creep when one feels an impulse to soar. Words do not express thoughts very well, they always become a little different immediately after they are expressed, a little distorted, a little foolish.

He had a word, too. love, he called it. but i had been used to words for a long time. i knew that that word was like the others: just a shape to fill a lack; that when the right time came, you wouldn't need a word for that any more than for pride or fear.
